## Machine Builder

### Description

Allways Precision has an excellent career opportunity for a Machine Builder. We are looking for a highly skilled and dedicated individual to join our talented growing team.

### Responsibilities

The right candidate will have the ability to work in a fast-paced environment with skills in the following areas:

- Disassemble and reassemble Centerless Grinders and various mechanical devices
- Working knowledge of Motors, Pneumatics, Hydraulics, and Lube Systems
- Working knowledge of dial calipers, micrometers, and dial indicators
- Math skills and the ability to read assembly prints
- Good communication skills
- Work independently to take job assignments from start to finish with little or no assistance
- Experience in scraping flat ways and spindle bearings is a plus

### Job Benefits

Allways Precision offers a competitive compensation package based on experience. Benefits include paid vacation, paid holidays, medical, dental, 401k, short-term disability, and life insurance.

### Hiring organization
